

NEWSAGENCIES FOR SALE

Newsagency -Southern Qld Country -Only Newsagent in town -ID#66441

This is a well established business that would be perfect for an owner-operator, active early retiree or young family. Being the only newsagency in this busy country town it provides all newspaper/magazine/stationery distribution in the area and is arguably one of the best businesses in town.

Its current staffing level of 2 casual staff allows the new owner flexibility to work as little or as many hours as they wish (See Potential Roster Page 9). The business has an excellent reputation for customer service and is perfectly located in the business centre of St George and has plenty of easy customer parking.

St George is a Darling Downs service centre with a population of 2395 positioned on the Balonne River about 500kms west of Brisbane. The town offers great infrastructure including a variety of education and health services. This district has a strong agricultural/industrial base servicing the local wheat, cotton, small crop and pastoral industries in the area.
